

Clean Slate Solutions

Compassionately transforming lives

Clean Slate Solutions have made what myself and many others would have considered to be impossible, into, my fresh start, my second chance!
I am a fully qualified Quantity Surveyor and with my conviction being Fraud, my confidence was at rock bottom and I felt that I would never be trusted again in the Construction Industry.
I cannot describe how nervous I was to open up to employers about my disclosure, but the support offered by the mentoring team was fantastic along the way.
I managed to gain an opportunity to sit in front of a Director of a Construction Company to show my remorse, my attitude and my determination to try and right some of my wrongs!
We did it Clean Slate Solutions and I will be forever grateful for the support you offered me! You helped turn my life around!
