

Clean Slate Solutions  
Compassionately transforming lives

“

It's made a massive difference since my release. I felt like I had ruined my life and chances of decent employment but thanks to Clean Slate Solutions, I've found a job where I'm treated as an equal. It's right on my doorstep, perfect hours and a good wage with the chance to progress within the company.”

Thank you both for your positive words about Clean Slate Solutions.  
We are proud of how far you have come and wish you both the very best for your futures.
